(c) DODINST 5200.40

Encl: (1) SSAA for the Navy Acquisition PKI

1. By the provisions of references (a) through (c), I hereby grant full accreditation for the subject PKI web site. The architecture includes the master directory, all replicated directories, and all Enterprise Validation Authorities operated by NAVSUP, its field activities, or their contractors in accordance with the requirements of the Navy Acquisition PKI Certificate Practice Statement and this System Security Authorization Agreement.
2. This accreditation is based upon a review of the information provided in enclosure (1) and is my formal declaration that appropriate system security measures have been properly implemented, and a satisfactory level of security is present.
3. This accreditation is valid for 3 years from the date of this letter. Reaccreditation is required sooner if there is a change affecting the system security posture. Any significant changes, (i.e., configuration, mode of operation, classes of data, or other modifications) will be evaluated to determine the impact of the accredited system.
4. A copy of this letter, and its supporting documentation, will be retained by the Information Systems Security Program Office as a permanent record.
5. NAVSUP's point of contact is Ms. Charlene F. Tallman, SUP 63D, at 717-605-1432, DSN 430-1432.
